

Training and Development Plan
Division of Air Quality

| Central Office Stationary Sources - CEM | Source for Training | Course No. | Time Frame |
|---|------------------------|---------------|------------|
| Introduction to Hazardous Air Pollutants | APTI | 400 | 6-months |
| Monitoring and Evaluation of Hazardous Air Pollutants | APTI | 401 | 6-months |
| OSHA HAZWOPER | NCSU | HAZ | Annual |
| Visible Emissions Certification (Smoke School) | ETA | VE | Bi-annual |
| Principles and Practices of Air Pollution Control | APTI | 452 | 1-year |
| Source Sampling for Pollutants | APTI | 450 | 1-year |
| VOC Sampling and Analysis | Rutgers | VOC | 1-year |
| Compliance Assurance Monitoring | Rutgers | CAM | 1-year |
| Industrial Ventilation Conference | NCSU | IND | 1-year |
| Advanced NOx Emissions Control | Rutgers | ANOX | 1-year |
| Continuous Emissions Monitoring Systems | Rutgers | CEMS | 1-year |
| Control of Particulate Emissions | APTI | 413 | 1-year |
| Control of Gaseous Emissions | APTI | 415 | 1-year |
| Baseline Source Inspection Techniques | APTI | 445 | As needed |
| Inspection Safety Procedures | APTI | 446 | As needed |
| Sources and Control of Volatile Organic Air Pollutants | APTI | 482 | As needed |
| Combustion Evaluation | APTI | 427 | As needed |
| Inspection of Gaseous Control Devices and Selected Industries | Rutgers | GCD | As needed |
| Atmospheric Sampling | APTI | 435 | As needed |
| Advanced Inspection Techniques | APTI | 455 | As needed |
