

SECTION .0800 - COMPLEX SOURCES

15A NCAC 02D .0801 PURPOSE AND SCOPE

- (a) The purpose of this Section is to set forth requirements of the Commission relating to construction or modification of a transportation facility which may result in an ambient air quality standard for carbon monoxide being exceeded.
- (b) For purposes of this Section any transportation facility that was under construction or was the subject of a contract for construction prior to November 15, 1973, shall not be considered a new air pollution source.
- (c) Approval to construct or modify a transportation facility shall not relieve any owner or developer of the transportation facility of the responsibility to comply with the state control strategy and all local and state regulations which are part of the North Carolina State Implementation Plan for Air Quality.
