

15A NCAC 02Q .0304 APPLICATIONS

(a) Obtaining and filing application. Permit, permit modification, or permit renewal applications may be obtained and shall be filed in writing according to Rule .0104 of this Subchapter.

(b) Information to accompany application. Along with filing a complete application form, the applicant shall also file the following:

- (1) for a new facility or an expansion of existing facility, a consistency determination according to G.S. 143-215.108(f) that:
 - (A) bears the date of receipt entered by the clerk of the local government, or
 - (B) consists of a letter from the local government indicating that all zoning or subdivision ordinances are met by the facility;
- (2) for a new facility or an expansion of existing facility in an area without zoning, an affidavit and proof of publication of a legal notice as required under Rule .0113 of this Subchapter;
- (3) for a new facility or modification of an existing facility, a written description of current and projected plans to reduce the emissions of air contaminants by source reduction and recycling according to G.S. 143-215.108(g); the description shall include:
 - (A) for an existing facility, a summary of activities related to source reduction and recycling and a quantification of air emissions reduced and material recycled during the previous year and a summary of plans for further source reduction and recycling; or
 - (B) for a new facility, a summary of activities related to and plans for source reduction and recycling;
- (4) for permit renewal, an emissions inventory that contains the information specified under 15A NCAC 02D .0202, Registration of Air Pollution Sources (the applicant may use emission inventory forms provided by the Division to satisfy this requirement); and
- (5) the information in Parts (A) or (B) of this Subparagraph if the Director finds this information necessary to evaluate the source, its air pollution abatement equipment, or the facility:
 - (A) The applicant is financially qualified to carry out the permitted activities, or
 - (B) The applicant has substantially complied with the air quality and emissions standards applicable to any activity in which the applicant has previously been engaged, and has been in substantial compliance with federal and state environmental laws and rules.

(c) When to file application. For sources subject to the requirements of 15A NCAC 02D .0530 (prevention of significant deterioration) or .0531 (new source review for sources in nonattainment areas), applicants shall file air permit applications at least 180 days before the projected construction date. For all other sources, applicants shall file air permit applications at least 90 days before the projected date of construction of a new source or modification of an existing source.

(d) Permit renewal and ownership changes with no modifications. If no modification has been made to the originally permitted source, application for permit renewal or ownership change may be made by letter to the Director at the address specified in Rule .0104 of this Subchapter. The renewal or ownership change letter must state that there have been no changes in the permitted facility since the permit was last issued. However, the Director may require the applicant for ownership change to submit additional information, if the Director finds the following information necessary to evaluate the applicant for ownership change, showing that:

- (1) The applicant is financially qualified to carry out the permitted activities, or
- (2) The applicant has substantially complied with the air quality and emissions standards applicable to any activity in which the applicant has previously been engaged, and has been in substantial compliance with federal and state environmental laws and rules.

To make a name or ownership change, the applicant shall send the Director the number of copies of letters specified in Rule .0305(a)(3) or (4) of this Section signed by a person specified in Paragraph (j) of this Rule.

(e) Applications for date and reporting changes. Application for changes in construction or test dates or reporting procedures may be made by letter to the Director at the address specified in Rule .0104 of this Section. To make changes in construction or test dates or reporting procedures, the applicant shall send the Director the number of copies of letters specified in Rule .0305(a)(5) of this Section signed by a person specified in Paragraph (j) of this Rule.

(f) When to file applications for permit renewal. Applicants shall file applications for renewals such that they are received by the Division at least 90 days before expiration of the permit.

(g) Ownership or name change. The permittee shall file requests for permit name or ownership changes as soon as the permittee is aware of the imminent name or ownership change.

- (h) Number of copies of additional information. The applicant shall submit the same number of copies of additional information as required for the application package.
- (i) Requesting additional information. Whenever the information provided on the permit application forms does not adequately describe the source and its air cleaning device, the Director may request that the applicant provide any other information that the Director considers necessary to evaluate the source and its air cleaning device. Before acting on any permit application, the Director may request any information from an applicant and conduct any inquiry or investigation that he considers necessary to determine compliance with applicable standards.
- (j) Signature on application. Permit applications submitted pursuant to this Rule shall be signed as follows:
- (1) for corporations, by a principal executive officer of at least the level of vice-president, or his duly authorized representative, if such representative is responsible for the overall operation of the facility from which the emissions described in the permit application form originates;
 - (2) for partnership or limited partnership, by a general partner;
 - (3) for a sole proprietorship, by the proprietor;
 - (4) for municipal, state, federal, or other public entity, by a principal executive officer, ranking elected official, or other duly authorized employee.
- (k) Application fee. With the exceptions specified in Rule .0203(i) of this Subchapter, a non-refundable permit application processing fee shall accompany each application. The permit application processing fees are defined in Section .0200 of this Subchapter. A permit application is incomplete until the permit application processing fee is received.
- (l) Correcting submittals of incorrect information. An applicant has a continuing obligation to submit relevant facts pertaining to his permit application and to correct incorrect information on his permit application.
- (m) Retaining copy of permit application package. The applicant shall retain for the duration of the permit term one complete copy of the application package and any information submitted in support of the application package.
